City Council Work Session
March 23, 2026

A work session was held following the regular city council meeting 3-23-2026 at 6:40pm.

Mayor Sieverding along with council members, Meyer, Reuter, Budde and Gerardy remained present.

A motion to open the Work Session was made by Meyer, seconded by Gerardy. Motion carried.

Lot Discussion: Council members and an interested buyer discussed covenant amendment options to provide putting requirements and restrictions in place before consideration would be made to allow 2 adjacent lots to be combined for the purpose of building one home. Ganzer will seek legal advice on such draft amendment. No final action was taken.

Budget discussion – Water and Sewer Utilities. Tim Morehead and Ganzer presented proposed expenditures and needs for equipment and sewer line maintenance for water and sewer.

With no further discussion a motion to close the work session was made by Budde, seconded by Meyer. Work session closed at 8:00pm.

Tyler Sieverding, Mayor
